Special Needs Expo Scheduled

The third annual Southwestern PA Special Needs Fair and Expo is scheduled for Saturday, April 28 from 11 a.m. to 3 p.m. at the Pathfinder School (50 Donati Road, Bethel Park, PA).

This free event is open to the public and features indoor and outdoor activities. Some scheduled activities include music and dance performances, playtime with therapy dogs and face-painting.

Professionals representing a number of services will be there to speak with attendees.

High School Concert Band Shines at Music Performance Assessment

The South Park High School concert band, led by Mrs. Kendra Barbone, participated in its first music performance assessment, hosted by PMEA at Upper St. Clair High School on Thursday, April 12. The band prepared two concert pieces to be assessed by a panel of three judges and did a sight-reading performance of a piece they had never seen before.

Each judge gave the band feedback and a score based on five music evaluation areas. The concert band received ratings of excellent on their prepared pieces and a rating of superior, the highest possible rating, on the sight-reading.

District Launching Key Communicator Council

The South Park School District is establishing a key communicator council. This group, which will include parents, students, community members, faculty, staff and school board members, will meet once quarterly to discuss the communication efforts of the district and to discuss new ways to effectively reach South Park families, community members, faculty and staff.

Parents and community members who wish to apply to be on the key communicator council should complete the online application by clicking [here](#). Please note, we can only accept a certain number of parents and community members.

The quarterly meetings will be held on a weeknight.

The application period closes on Friday, May 11. We hope to have the first key communicator council meeting by the end of the school year.

For more information, please contact Patrick Harrigan at (412) 655-3111, extension 1002 or email him at patrick.harrigan@sparksd.org.

"Take Your Child to Work Day" is Thursday, April 26. The absence form is available by clicking [here](#). Students who will be participating in "Take Your Child to Work Day" must return the completed form to their homeroom teacher by Wednesday, April 25. No written excuses for participating in "Take Your Child to Work Day" will be accepted.
